

Extensions to Children and Family Services Building the Pool House, at 187 West Avenue, Glen Innes were officially opened by the Honourable Adam Marshall, MP on 1 March 2017.

Extensions included an increase in the activity room for childrens' play and a ramp to the outdoor area which accommodates wheelchairs and other motorised accessibility vehicles.

The children now have addition space for creative activities during cold or wet weather.

Bathroom facilities were upgraded to provide easy access for children with disabilities.
